CURRENT GOVERNMENT & COMMERCIAL TRANSPORTATION CONTRACTS

- General Commercial Freight, US & Canada - Countrywide**
 Vanquish is a carrier of choice for commercial brokers and companies across the U.S. We have a fleet of 2014/2015 International Prostar power units, trailers and flat beds used to move freight of all kinds on dedicated, one-time and emergency/ time sensitive routes. We provide mission ready equipment, experienced CDL drivers, load planning, dispatching, GPS tracking, maintenance and training at our US Dispatch Office in Tennessee. With proper DOT Operating Authority, Standard Carrier Alpha Code, Acceptable CSA Scores, Performance/ Surety Bonds and Cargo Insurance, we are ready to transport any class of cargo across 48 states, Alaska and Canada. Our fleet is maintained under the Landmark Idealease comprehensive vehicle maintenance program where our equipment inspections and operating standards exceed DOT requirements. PM inspections, mobile & shop maintenance, 24 hour emergency road service, recordkeeping, and replacement vehicles are guaranteed to ensure safe and on schedule delivery.
- Surface Deployment and Distribution Command (SDDC) , US & Canada- Countrywide**
 Vanquish is a domestic freight carrier for the US Army's SDDC providing origin-to-destination surface movement of DoD equipment and supplies across 48 states, Alaska and Canada. We maintain compliance with local and DOT standards and regulations, Military Freight Traffic Unified Rules Publication, Freight Carrier Registration Program, and other DoD safety and security standards. As part of Global Freight Management System, Vanquish has access to an Electronic Transportation Acquisition suite where we regularly submit shipment bids. Vanquish is currently growing our scope of services for the SDDC to transport materials designated as protected/sensitive under the Transportation Protective Services and Arms, Ammunition and Explosives programs.
- National Afghan Trucking (NAT), Afghanistan- Countrywide**
 Vanquish delivers Class I, II, III, IV, VI, VII, VIII, VIII, X cargo to over 400 Forward Operating Bases throughout Afghanistan. We have successfully completed over 12,500 missions, executing an average of 487 missions per month. Vanquish has proven itself to be a leader in transportation & logistic services in the harsh environment of Afghanistan with over 1,738,000 miles driven distributing more than 30 million liters of fuel, 78,000 tons of dry goods and 61,000 tons of heavy equipment utilizing a fleet of 1,260 vehicles including: flatbeds, low boys, super low boys, refrigerated and freezer trucks, bobtail, and tankers; with up to 500 assets on the road at one time. Over the period of performance on this contract, we have received written and verbal expressions of gratitude for our dedication to compliance with safety, maintenance and operating standards.
- FedEx Ground Pickup & Delivery (P&D) Services, Nashville, Tennessee**
 Vanquish manages and executes P&D transportation routes, driving over 4,000 miles daily and accounting for over 34% of all packages out of the Nashville terminal. We provide personnel, vehicle assets, fuel, maintenance, and supervision to pick up, transport, and distribute packages to business locations throughout the Nashville metro area. Our staff delivers on-time and quality service to FedEx customers, consistently meeting customer service goals and FedEx requirements. We maintain a fleet of 41 vans and trucks; our staff performs PM inspections, maintenance, and repairs which meet or exceed local and DOT standards.
- FedEx Ground Over The Road Line Haul Services, US & Canada - Countrywide**
 Vanquish provides timely and reliable line haul transportation services from Nashville and Memphis terminals to other FedEx Ground terminals and hubs throughout the US & Canada. We provide drivers, mechanics, support personnel, trucking assets, equipment, fuel, and supervision to execute and manage these "long haul" routes. We maintain a fleet of single and team power units and provide logistic support necessary to pick up trailers and packages at origin and deliver to destinations with continuous asset tracking from start to finish.
- Hawaii Mobilization/ Demobilization, Oahu, Hawaii**
 Vanquish provides support to mobilizing/demobilizing Army units and individuals at Schofield Barracks, Tripler Army Medical Center, Barbers Point, Wheeler Army Airfield, and Joint Base Hickam/Pearl Harbor. Our task areas include: Movements, Maintenance, Mobilization Operations, Supply, Arms & Ammunition, Driver Cell and Staff Duty. We coordinate and execute movements of equipment, supplies, ammunition, and arms while our staff drivers provide routine and on call shuttle services for soldiers 24/7. Utilizing a fleet of Government forklifts, flat beds, HWMV, and LMTV vehicles; our CDL and HAZMAT drivers transport all classes of cargo averaging over 100 missions per month. We moved over 150,000 rounds of ammunition during 2013 and shuttled over 1,100 soldiers using government shuttle vans & buses.
